## **Equip • Engage • Empower**

Every day, learning is taking place across barriers once thought to be insurmountable. For the 15th anniversary of OETC, join more than 6,000 attendees to explore the endless possibilities that distance learning and alternative learning models provide. Attendees will come together to teach and learn about new ways to equip, engage, and empower learners and educators across the state and beyond!

### **Key Dates:**

- December 5, 2012 - Early Bird Registration Deadline
- January 9, 2013 - Advanced Registration Deadline

To learn more and to register, visit:
